

REMARKS

There are no amendments to the claims. Claims 1-40, 59 and 60 remain in the application for consideration.

This Request for Continued Examination is submitted in an abundance of caution simply to place certain references before the Examiner for consideration. The references are referred to in a Supplemental Information Disclosure Statement presented herewith. The pending claims are asserted to be allowable over any of the submitted references.

This application is believed to be in immediate condition for allowance, and action to that end is requested.

Respectfully submitted,
